

**FOXY LADIES SALE :: NOVEMBER 24TH :: 6 PM CST**  
**WEST POINT LIVESTOCK AUCTION :: WEST POINT NEBRASKA**

**OFFERING AN UNBELIEVABLE SET OF FEMALES. YOU CAN'T AFFORD TO MISS THIS SALE.**

**ON** behalf of the Foxy Lady group, I want to welcome you to our annual female production sale in West Point, NE. It's been a very exciting year for us with cattle winning numerous shows and several calves out of our Foxy Ladies from last year already winning shows and winning divisions at several shows across the country. Every year, we try to make this sale better and every year, I think we have set the bar higher and higher. I feel this set will sure be hard to replicate in the future, as we are as deep as we have ever been and expect great things out of these lots. We have bred them to bulls that I think are some of the newest and hottest genetics in the Simmental and Angus world, as of now. I can promise you that the herd bulls we run behind our females are second to none and maybe better than a lot of AI genetics. Please take note that a handful of heifers are bull bred later than some buyers may desire, and you will be see they do deserve a closer look.

All of us that are part of this sale are true cattlemen and make a living everyday with livestock on all parts of the spectrum. We know the importance of good genetics and we are willing to share them with you. Please come and enjoy a night of Foxy Ladies females and a meal with social entertainment.

Give any of us a call, we enjoy talking about the cattle and how we can make our genetics work for you. I know there have been a lot of success stories out there and we always love hearing about them. I hope to see you Saturday night in West Point.

This Style heifer is the registered heifer called Campbell 43. She is a good looking female that I want people to come to take a look at on sale day. There was no cooperation from her about getting a good picture. Campbell is thick, well structured, and deserves a second look. She may only be a quarter blood, but she is out of Silveiras Style 9303, who has done much for the Angus breed thickening them up and gives them a "got to own" look.

I know when looking at cattle with my hired man Nick, we sometimes don't always see them the same way and like the same thing, but now that he has been here for six years, he starting to figure things out a bit. For instance, he can tie is own shoes now! I can't wait to see what the future holds for him. Yes, we really do appreciate him here. We both agree though that this is one of the best ones, I have sold and a must see this one in person. She will amaze you. This is quite possibly the stoutest Halftime females that I have seen. ## TERMS&CONDITIONS

Cattle sell per the terms & conditions of their breed associations. Announcements from the Auction Block on Sale Day regarding the cattle selling in this sale will take precedence over the information printed in this catalog.

No cattle will be loaded until paid for. Terms are cash, check with proper ID (e. Driver's license) or Master Card/Visa will be accepted with a 4% fee. For example, if you are the successful bidder at \$1,000 and you charge your purchase using your credit card. Your credit card statement will show a payment of \$1,040.

If you can't attend the sale, contact one of the owners, sale managers, or consultants for information regarding our sight unseen buyer guarantee. We will arrange for a member of the sale staff to discuss the cattle with you. Bidding can be done via phone or by a confidential bid prior to the sale. Please call between November 23 - November 26 to obtain a bidder number. We

will arrange to have someone call you when the lot(s) you are interested in, enters the sale ring. Please note that our sale will start on time and will move quickly, so be prepared to make your bids promptly.

### LIABILITY

Anyone attending the sale attends at there own risk. Felt Farms, Sale Management, the guest consignors, and the sale personnel will not be held responsible for any personal injury or loss for those attending the sale.

### TRUCKING

We will assist you in finding the most reasonable trucking options possible. Dwyer Cattle will have a truck available to haul cattle back to Illinois.

### INSURANCE

Insurance will be available through James F. Bessler of Great American Insurance Group phone 815-899-9121. Talk to Nick Dwyer after the sale to insure your purchases.

### HERD HEALTH

Health papers for interstate travel will be available. Bred females have been pregnancy checked safe by a licensed Veterinarian. The buyer has within 21 days following the sale to re-pregnancy test their purchases. If any animals are found open within those 21 days you must notify sale management at once for an adjustment to be made. Updated breeding information will be available on a supplement sheet sale day, this sheet will take precedence over statements in the sale catalog.

### REGISTRATIONS

Please leave all transfer information with the sale clerks at the completion of the sale.

-Thank you for your interest in our programs, we strive hard day in and day out to build genetics that will work not only for us, but for our customers. Any questions on the offering, please be sure to contact one of the sale representatives.

This is the only silver colored one in the sale and she is by far really good. She is out of my purebred Charolais donor that I bought from the Dybdall family a few years ago. This cow had six embryos In God We Trust calves that averaged \$7,000 last year and the Fu Man Chu calves averaged \$6,500. She had one purebred Charolais heifer this year that brought \$11,000, so consistency is in her blood. This one has been tested TH clean and was a bit short of having the big hair, so I knew she would make a better cow. She is as sound and as nice made female as you can make. She is probably too good to raise club calves, but we know color is hot and the list of bulls is endless to breed this one to. This female is a full sister to the Reserve Champion AOB Heifer, 2018 NILE in Billings.
